ShwariPay Installation & Configuration Manual

ShwariPay - PrestaShop Lipa na M-Pesa Module

Version: 1.0

Developed by: Samuel Simiyu

What is ShwariPay?

ShwariPay allows your PrestaShop store to accept M-Pesa payments via STK Push. Customers enter their phone number at checkout and receive a push to their phone to complete payment instantly.

Installation Steps

----

1. Access PrestaShop Admin Panel.

2. Go to Modules > Module Manager.

3. Click "Upload a module".

4. Upload the provided shwaripay.zip file.

5. Click Install once the module appears.

Configuration Steps

After installation:

1. Go to Modules > Module Manager > ShwariPay > Configure.

2. Enter your M-Pesa API credentials:

   - Business Shortcode: Your M-Pesa Till/Paybill Number.

ShwariPay Installation & Configuration Manual

- Consumer Key: From Safaricom Developer Portal.

- Consumer Secret: From Safaricom Developer Portal.

- Passkey: Lipa na M-Pesa passkey.

- Environment: Select Live or Sandbox.

3. Click Save.

How Customers Pay

----

1. On the checkout page, customers select ShwariPay (Lipa na M-Pesa).

2. They input their M-Pesa phone number.

3. An STK push request is sent to their phone.

4. The customer confirms on their phone using their PIN.

5. The order confirmation page appears after successful payment.

Testing (Sandbox)

- Use Safaricom Sandbox test credentials.

- Simulate STK Push from your developer portal.
